PVC TAPE 21A DATA SHEET

1. Product structure

2. Test method

JIS C 2107-2011

3. Standard size

Item	Thickness	Width	Length	※Color
	(mm)	(mm)	(m)	
21A	0.20	19	10/20	black, gray, white, red, yellow, blue, green, brown, transparent, ivory, orange, green/yellow

※For other specification ,please discuss with us.

4.Characteristic

ITEM	UNIT	21A
Tensile strength	N/19mm	63.7
Elongation	%	193
Adhesion strength	To steel	N/19mm
	To backing	N/19mm
Withstand Voltage(5 kV/min)	-	PASS
Volume resistivity	Ω·cm	1.3×10^{14}

※All above data are average test result ,should not be used for specification purposes.
